6.05pm – 6.10pm

Kylie Stephens, CERSH

Introductions from participants (name, position, location)

Case Study 1: troubleshooting complications

6.10pm – 6.25pm

Dr Paddy Moore, Head of
the Choices Clinic, The
Women's Hospital

Brief update on abortion provision in Victoria and case studies focusing on troubleshooting complications.

Q & A

Case Study 2: MTOP process and contraception

6.25pm – 6.40pm

Dr Christine Armstrong and
Mary-Anne Richardson,
Bendigo Community Health
Service

A case study highlighting the MTOP process at Bendigo Community Health Service and up-take of contraception, including long-acting reversible contraceptives (LARCs) following MTOP.

Q & A

Case Study 3: 1800 My Options Service

6.40pm – 6.55pm

Carolyn Mogharbel and
Dianne Hill
Women's Health Victoria,
1800 My Options

Caroline and Dianne will provide an overview of a new website and phone service **1800 My Options** for all Victorian women wanting sexual and reproductive health information, including where they can access contraception services, abortions and other clinical and counselling services. **1800 My Options** will establish a database of clinical and other service providers and pharmacists, who consent to have their information provided to Victorian women contacting the new service.

Q & A
